After the conclusion of Split 2 Major, the four (4) Regions with the strongest Split 1 Major and Split 2 Major performances will earn a Last Chance Qualifier for their Region. The four (4) Regions that will have a Last Chance Qualifier will be determined according to the following criteria:

1. A Region's mean RLCS Points earned by that Region at Split 1 Major and Split 2 Major.
2. A Region's cumulative RLCS Points earned by the best placement from that Region at Split 1 Major and Split 2 Major.

In the case where no other Team from that Region is able to attend, the advancement slot will be awarded to the next highest-scoring Team in the strongest Region's RLCS Points Leaderboard. The strongest Region is calculated using a Region's mean RLCS Points earned by that Region at Split 1 Major and Split 2 Major and taking the highest Region.

If this scenario happens before Split 1 Major, the strongest Region will be calculated based on Major and World Championship performances during the RLCS 2025 Season.

2.2.9 Tiebreakers

In the event of a tie for a Major or World Championship qualification spot, a bracket will be made to accommodate the number of tied Teams with Teams receiving "byes" in accordance with the seeding system set out in [Section 2.3.9](#) (each such bracket, a "**Qualification Spot Bracket**"). All Matches in a Qualification Spot Bracket will be Best-of-Seven. Qualification Spot Brackets will be a Single Elimination Bracket, with higher seeds receiving byes in the bracket (as applicable). Qualification Spot Brackets will be confirmed by Event Administrators before the Qualification Spot Bracket begins. See [Attachment E](#) for the Qualification Spot Bracket Table.

If three (3) or less Matches need to be played in a Qualification Spot Bracket to break a tie, then the Qualification Spot Bracket will be played after the conclusion of the applicable Region's

Open Hybrid Elimination Bracket. If four (4) or more Matches need to be played in a Qualification Spot Bracket to break a tie, then the Qualification Spot Bracket will be played during the respective Region's tiebreaker day as defined in the Schedule ([Attachment B](#)).

In the event of a tie between Teams within the same Region that have already qualified for a Major or World Championship spot, Teams will be seeded in accordance with the seeding system set out in [Section 2.3.5](#), [Section 2.3.6](#), and [Section 2.3.8](#) (as applicable). In this scenario, a Qualification Spot Bracket will not be played.

2.2.10 Platforms

Players acknowledge and agree that the Event is cross-platform, other Players may participate in the Event on different platforms (PC or console (as applicable)), and that different platforms may offer features, such as controllers, player interface, and/or ability to individualize certain game settings/sensitivities, etc., which may arguably provide a competitive advantage to one platform over another. Epic makes no adjustments in the Event to accommodate different platforms, and it is each Player's responsibility to select the platform they use to participate in the Event.

2.3 Seeding

2.3.1 Seeding for Open 1

2.3.1.1 Open Double Elimination Bracket

For seeding purposes in the Open Double Elimination Bracket of Open 1, Teams will be organized by the following parameters:

2. All three (3) Starter's mean RLCS 2025 seeding score
 - a. Each Starter's RLCS 2025 seeding score is determined by adding 66% of RLCS Points earned in 2025's Major 1 Open Qualifiers and the Birmingham Major, and 100% of RLCS Points earned in 2025's Major 2 Open Qualifiers and the Raleigh Major. RLCS 2025 Season points only apply to Starters on RLCS 2025 Teams, and do not apply to Reserves, Coaches, or Managers on those RLCS 2025 Teams
 - b. For each Starter, if the Starter is Registered for a different Region than the Region they represented in 2025's Major 1 Open Qualifiers, Birmingham Major, Major 2 Open Qualifiers, and Raleigh Major then an additional 50% deduction for the applicable stage will be applied to the Starter's seeding score.

2. Region Slot's final placement in the previous RLCS Major or World Championship.
3. Region Slot's initial seed in the previous RLCS Major or World Championship.

2.6.2 Prize Restricted Regions

NOTWITHSTANDING THE FOREGOING OR ANY OTHER PROVISION OF THESE RULES TO THE CONTRARY, IF YOU ARE AN INDIVIDUAL RESIDING IN TURKEY OR RUSSIA (EACH, A “PRIZE RESTRICTED REGION”), YOU ACKNOWLEDGE AND AGREE THAT YOU ARE NOT ELIGIBLE FOR NOR ENTITLED TO WIN ANY PRIZES IN CONNECTION WITH THE EVENT.

2.6.3 Prizing Information

Only eligible, ranked players who do not reside in a Prize Restricted Region (as determined by Psyonix in its sole discretion) will be eligible to receive the applicable prizes set forth in [Section 2.6.1](#) (“**Winning Players**”). No other player will be entitled to win any prizes in connection with the Event.

Prizes are awarded “as is” with no warranty or guarantee, either express or implied. Prizes are not transferable or assignable and cannot be transferred by Winning Players. Non-cash prizes (if any) cannot be redeemed for cash. All prize details are at the sole discretion of Psyonix. Winning Players are not entitled to any surplus between actual retail value of prize and approximate retail value, and any difference between approximate and actual value of the prize will not be awarded. Winning Players are responsible for any costs and expenses associated with prize acceptance and use not specified herein as being provided. Winning Players may not substitute a prize, but Psyonix reserves the right, at its sole discretion, in case of justified reasons, to substitute a prize (or portion thereof) with one of comparable or greater value. Additional terms and conditions may apply to acceptance and use of a prize.

Potential Winning Players will be notified by Psyonix of their status as a potential Winning Player at the email address associated with such Players’ Epic Games Account (“**Epic Account**”) within thirty (60) days of completion of the applicable Event Session, or such other time as reasonably required by Psyonix for such notification, and will be subject to verification of eligibility pursuant to [Section 3](#) and compliance with these Rules. Potential Winning Players must keep the Epic Account that they used to compete in the Event active throughout the verification of eligibility process.

Upon formal notification from Psyonix, a potential Winning Player shall have forty five (45) days from the date such notice was emailed to respond and provide (1) any information or materials requested by Psyonix for purposes of verification of eligibility pursuant to [Section 3](#) and (2) the Release (as defined below). Such response from a potential Winning Player must be delivered to the email address from which Psyonix’s notification was sent or, at Psyonix’s sole option, another email address specified in the notification. The date of receipt by Psyonix shall be decisive for a potential Winning Player’s compliance with the deadlines set forth in this Section 2.6.3.

In the event of (a) the failure by any such Player to (i) keep the Epic Account that such Player used to compete in the Event active throughout the verification of eligibility process or (ii) timely respond to any notification or request for materials or information; or (b) any such Player being unable to accept or receive the prize for any reason (including for failure to satisfy eligibility requirements at all times throughout participation in the Event up until the receipt of prize, or for failure to provide the necessary tax and payment information through Psyonix's approved tax and payment processing vendors), or (c) finding the player has violated the Competitive Integrity rules (or any equivalent rules as the case may be) for any past event ("**Past Event**") organized by Epic, if the prizes for such Past Event have not yet been paid to such player, then such Player shall be disqualified as a potential Winning Player, and such Player shall not be entitled to win any prizes in connection with the Event. In such cases, no alternate Winning Player will be named, and Psyonix shall have the right, in its sole and absolute discretion, to (y) award any prize amounts that would have otherwise been awarded to such disqualified Player as part of a future Game competitive event or (z) award any such prize amounts to non-profit causes and efforts. A Winning Player will only be announced once the verification of eligibility process has been completed by Psyonix pursuant to these Rules.

Winning Players will also be required to provide certain payment information to Psyonix, including any required tax information forms, in order to receive the prizes. Psyonix may withhold payment of the prizes if the Winning Player fails to provide the applicable payment forms to Psyonix in a timely manner.

PRIZES ARE SUBJECT TO APPLICABLE INTERNATIONAL, FEDERAL, STATE, AND LOCAL TAXES (INCLUDING, BUT NOT LIMITED TO, INCOME AND WITHHOLDING TAXES) AND IT IS THE RESPONSIBILITY OF EACH WINNING PLAYER TO (I) CHECK WITH SUCH WINNING PLAYER'S LOCAL TAX ADVISOR TO DETERMINE WHICH TAXES APPLY TO SUCH WINNING PLAYER AND (II) PAY SUCH TAXES TO THE APPROPRIATE TAX AUTHORITY. It is Psyonix's policy to withhold tax at the backup withholding rates in effect for US and non-US residents. Prize income and tax withholding will be reported on forms (y) 1099-MISC for US residents and 1042-S for non-US residents, and (z) any other relevant tax forms as may be required by applicable law.

Psyonix will determine the payment method for the prizes in its sole discretion and, except as otherwise required by applicable law, all payments will be made directly to the Winning Player in such Winning Player's capacity as an individual (or, if a Minor, to the Winning Player's parent or legal guardian). No prize payments will be made by Psyonix to any organization, company, or other entity. Each Winning Player will be provided a Prize Acceptance and Release Form ("**Release**"). Unless restricted by applicable law, each Winning Player (or, if a Minor, such Winning Player's parent or legal guardian) will be required to complete and submit the Release in accordance with the deadlines set forth in this Section 2.6.3. In addition, by accepting a prize, the Winning Player agrees (or such Winning Player's parent or legal guardian agrees) to release Psyonix from any and all liability, loss, or damage arising from or in connection with awarding, receipt, and/or use or misuse of prize or participation in any prize-related activities.

To open an Epic Account, Players can visit <https://www.epicgames.com/id/register/date-of-birth> and follow the onscreen instructions. For clarity, providing an Epic Account as part of the Registration Process does not guarantee that a Player will receive a prize in connection with the Tournament. Only Winning Players will be eligible to receive prizes in connection with the Tournament.

3.6.2 The Epic Account you use in connection with the Event must be in good standing, with no undisclosed violations. This also means that your Epic Account must be registered in your

3.7.3 You may only have one (1) entry (using one (1) Epic Account) into the Event for an Open or Last Chance Qualifier. You are expressly prohibited from having additional Event entries using additional or secondary Epic Account(s).

3.7.4 You may only participate in one (1) Region (using one (1) Epic Account) throughout the course of the Event. For clarity, this means that once you participate in a Region in any Open session, you will be locked to that Region for any subsequent Open. This rule does not apply to players who undergo an official Roster Change during the Transfer Window (as listed in [Section 3.8.6](#)).

3.7.5 You may only participate on a single Team during any Open or Last Chance Qualifier. Outside of the Transfer Window as listed below, you may change Teammates at the start of each new Open, but you and your Teammates will be considered a new Team, and any previously earned RLCS Points will not transfer to your new Team.

3.8 Team Rosters

3.8.1 Team Point-of-Contact

Each Team must declare one member of their Roster to be the Team Point-of-Contact (“**Team Point-of-Contact**”) or (“**Team POC**”) who represents the Team for all official decisions and serves as the main point of contact for the Team; provided, that a Team may designate its Manager or Coach (as applicable) as the main point of contact for the Team.

3.8.2 Team Size and Rosters

Teams may only use Players who are on their Roster for a Match. Upon registering for the Tournament, Rosters must contain a minimum of three (3) starting Players (each, a “**Starter**”), and may contain up to one (1) designated reserve Player who may be used as an alternate (each, a “**Reserve**”). Rosters may also include a Manager and/or a Coach who, depending on whether they also serve in a Starter or Reserve Role, may or may not play in a Match. A Team’s Manager and Coach will be registered to a Roster by a Tournament Administrator at later stages of each Tournament. An individual may not simultaneously be part of more than one Roster at a time.

- “Starter”: A Roster must contain a minimum of three (3) Starters. A Starter is eligible to compete in a Match.
- “Reserve”: A Roster may contain up to one (1) Reserve. A Reserve is eligible to compete in a Match.
- “Coach”: A Roster may contain up to one (1) Coach. A coach is eligible to compete in a Match if they also serve in a Starter or Reserve role, but must be given explicit permission from Epic or Tournament Administrators before Gameplay begins. Coaches must be at least 18 years of age.

- For Rosters consisting of three (3) Players (all Starters), at least two (2) Players must fit any of the criteria listed below.
- For Rosters consisting of four (4) Players (three (3) Starters and one (1) Substitute), at least three (3) out of four (4) Players must fit any of the criteria listed below.

Minimum one of the following criteria are considered residency:

- Maintaining in-person education within that Region
- Maintaining a work placement within that Region

Players holding dual citizenship must declare their intended citizenship for each Split and will be subject to Team restrictions in [Section 3.8.5](#) and [Section 3.8.6](#). Coaches and Managers registered to a Roster do not contribute to the Roster’s resident majority.

Tournament Administrators will handle residency cases on a case-by-case basis and may request proof of residency at their discretion. A final decision by Tournament Administrators as to Player Residency will be final and binding on all Players and Teams.

Players and/or Teams are able to request confirmation of residency eligibility before the Registration deadline for the event by contacting Tournament Administrators via the Support Channels as defined in [Section 6.1](#).

3.8.4 Roster Submission

Starting Rosters for each broadcasted Match must be submitted to Tournament Administrators at least one (1) hour prior to the start of Gameplay.

3.8.5 Roster Change Period and Roster Lock Deadline

Except as otherwise expressly set forth in these Rules, Team Rosters that have earned RLCS Points may only make a Roster Change (as defined in [Section 3.8.6](#)) during the Transfer Window (as defined below). All Rosters will be deemed locked at the close of the Tournament registration process (the **“Registration Process”**) at the time and date to be specified on the Registration Website (such dates and times collectively, the **“Roster Lock Deadline”**).

If a Team has a Manager or Coach they would like added to its Roster, the Team must notify Tournament Administrators prior to the applicable Roster Lock Deadline. If a Team has circumstances that prevent it from making a Substitution within the deadlines set forth in [Section 4.2.5](#) and are in need of a time extension, such Team must notify a Tournament Administrator by the applicable Roster Lock Deadline.

Otherwise, no Substitution will be allowed for any Team after the Roster Lock Deadline.

Any Team that makes a Roster Change (as defined in [Section 3.8.6](#)) that is made outside of the above restrictions will be subject to complete RLCS Points forfeiture.

3.8.6 Roster Changes and Transfers

Teams will be allowed to make Roster additions during one designated **“Transfer Window”** during the season.

Teams are allowed to make one addition to their Roster per Transfer Window for the entire Event. If it is determined by Tournament Administrators that a Team has made more than one addition in a single Transfer Window, such Team shall forfeit all of its accumulated RLCS Points and shall become an inactive Team.

Notwithstanding the foregoing, Teams may also make one “Exempt” addition to their Rosters (each, an **“Exempt Addition”**) during the entire Event. Exempt Additions must be made in the Transfer Window and must be added in the “Reserve” position. In addition, Exempt Additions must meet the following eligibility criteria:

1. The Exempt Addition must have been eligible to compete for the entirety of the Open immediately preceding the Transfer Window during which the Exempt Addition is being made.
2. The Exempt Addition cannot have earned any RLCS Points.

In order to make an Exempt Addition or Roster Change, Teams must submit their request via Discord in the applicable Discord Support Channel as listed in [Section 6.1](#) before the close of the Transfer Window. Transfers may also be made cross regionally (and are not impacted by the restrictions in [Section 3.7.4](#)).

A Team shall forfeit all of its accumulated RLCS Points and shall become an inactive Team if they have less than three (3) registered Players when the Transfer Window closes.

3.8.7 Player or Team Names

Players or Teams may not change their User Names, in-game names, or Team Names without approval from Tournament Administrators. All such names must comply with these Rules (including, without limitation, [Section 3](#)) and Tournament Administrators may request that they be changed at any time. A Roster shall not contain duplicates of the same name, names that consist only of symbols, or names that are difficult to distinguish from one another.

3.8.8 Roster Continuity

If a Team has three (3) Players, all three (3) Players will be considered “Starters”. If a Team has four (4) Players, three (3) Players will be considered “Starters,” and one (1) Player will be considered “Exempt” or a “Reserve” (as applicable).

3.8.9 Team Exclusivity

Players may participate on only one Team at a time throughout the Tournament.

3.8.10 Registration

Each Player on a Team must satisfy all eligibility requirements in these Rules for Players, and each Player must register on the Registration Website (<https://www.start.gg/hub/rics-2026>) before the close of the Registration Process in order to be considered a member of the applicable Team. During the Registration Process, one Team member will create/register the Team Name and Players will be able to join the Team by searching the Team Name or by invite. In the event a Team progresses to further rounds of the Tournament, the Tournament Administrators will attempt to notify the Team through its Team Point-of-Contact.

3.8.11 Team Eligibility Verification

Subject to [Section 2.6.2](#), all members of a Team that fall within the prizing thresholds set forth in [Attachment D](#) must successfully pass the verification of eligibility process described in [Section 2.6](#) in order to be eligible to receive such prizes. If one member of a Team fails the verification of eligibility process, all members of that Team will be disqualified as potential Winning Players, and that Team shall not be entitled to win any prizes in connection with the Tournament.

3.8.12 Team Associations

Except as otherwise expressly set forth herein, all of the Tournament Administrators' rights pursuant to these Rules relate to and are exercisable against the Team as a whole and each individual member of the Team. If any right of disqualification arises as to any individual member of the Team, then the Event Administrator may exercise the right of disqualification against the Team as a whole.

If the Tournament Administrators elect to disqualify fewer than all members of a Team, then the remaining Players shall continue to be bound by these Rules, and if permitted in the sole discretion of the Tournament Administrators, the Team may replace the disqualified Player(s) (even if the disqualified Player was the Team Point-of-Contact) with a new eligible Player and continue to compete under the same Team Name if each disqualified Player promptly signs any writing deemed necessary by Tournament Administrators to permit his/her former Team member(s) to continue to participate in the Tournament using the Team's name, or under a new name if permitted in the sole discretion of the Tournament Administrators.

Any Team member who elects to end his/her participation in the Tournament, and/or is disqualified from the Tournament, will not be permitted to participate in the Tournament in any capacity at the sole discretion of the Tournament Administrator.

3.8.13 Team Qualification Non-Transfers

Earned qualification spots to any new stage (as applicable) cannot be transferred, sold, traded, or gifted to any person or organization. This means that earned qualification spots will always be connected directly to the entire Team as a whole.

3.9 Team Relationships

The Rules do not govern relationships between or among Players on a Team. The terms of the relationship between Players and their respective Teams are left to each of the Teams and their Players. However, disputes between Team members may be grounds for disqualifying the applicable Team or any of its Team members, as determined by the Tournament Administrators in their sole discretion.

3.10 Responsibilities of Team Owners, Managers and Coaches

3.10.1 No Team (including its agents, officers, employees and subcontractors), Owner, Manager, or Coach may engage in collusion, Match fixing, the bribery of a referee or Match official, or any other unfair or illegal action or agreement to intentionally influence (or attempt to influence) the outcome of any Game, Match, or Tournament.

3.10.2 No Owner of a Team in the RLCS shall serve as the Coach or Manager of another RLCS Team or otherwise be involved in or have any power to determine or influence the management or administration of another Team in the RLCS.

3.10.3 No Managers, Coaches, or other persons having supervisory or managerial responsibility for a Team in the RLCS (collectively, “**Control Persons**”) shall: (a) be a Control Person of another Team in the RLCS; or (b) either directly or indirectly be involved in or have any power to determine the management or administration of another RLCS Team or influence the performance of another RLCS Team in any Game, Match, or Tournament. An exception may be made for one (1) additional Team entry from an organization, as long as that Team falls within all of the following categories and restrictions:

1. The additional Team is DEI-focused, and all participating Players represent that DEI initiative (example: a women's Team) or the additional Team is a college or university Team.
2. The Team names are not identical to one another.

Written approval from Tournament Administrators is required prior to the registration deadline. Tournament Administrators reserve the right to deny any exception cases.

3.10.4 A Team shall not appoint as a Control Person any individual who: (a) is a Control Person of any other RLCS Team; or (b) either directly or indirectly is involved in or has any power to determine the management or administration of another RLCS Team or influence the performance of another RLCS Team in any Game, Match, or Tournament.

3.10.5 Teams that Psyonix, in its sole discretion, determines are directly or indirectly owned or controlled by a person or entity that operates sports (including esports) gambling, wagering, bookmaking, or betting sites or platforms, or any other prohibited categories, are not eligible to participate in the Tournament.

For broadcasted Matches, Teams may request to avoid an arena due to performance issues and are required to submit a detailed request to Tournament Administrators no less than 24-

4.2 Match Procedures

During any Match during all stages of the Tournament except Open Double Elimination Bracket, Open Swiss Stage, and Open GSL Stage, before either (a) a goal has been scored or (b) fifteen (15) seconds have elapsed (whichever is sooner), Teams may mutually agree to cancel the current Game of the Match and re-host the Match with approval from Tournament Administrators.

Teams must recreate and join the new Match lobby within three (3) minutes of the new Match lobby's creation. Failure of a Team or Player to rejoin during this period will be subject to disciplinary action as further described in [Section 8.3](#).

Tournament Administrators reserve the right to suspend and invalidate the current Game of the Match for a re-host at any time.

4.2.3 Servers

4.2.4 Game Start

In Open Double Elimination Bracket and Open Swiss Stage, Players may not join their designated side until three Players from each Team have joined the Game. In all other Matches for all other stages of the Tournament, Players may not join their designated side until instructed by a Tournament Administrator.

For all stages of the Tournament, a Game is considered started when the in-Game "GO" indicator is displayed after the first kickoff countdown concludes.

4.2.5 Substitutions

4.2.5.1 Substitutions in Open Double Elimination Bracket, Open Swiss Stage, and Open GSL Stage

Substitutions may only occur in between Games in a Match. Teams are limited to one Substitution per Match. Teams are permitted to revert a Substitution between Games in order to play with their initial Player line-up, but would not be able to make any additional Substitutions in that Match. Teams may start a Game with any combination of three (3) Players from their registered Roster.

4.2.5.2 Substitutions in Open Hybrid Elimination Bracket, Kick-Off Tournament, Major Swiss Stage, Major Hybrid Elimination Bracket, World Championship GSL Play-In Stage,

World Championship GSL Group Stage, and World Championship Hybrid Elimination Bracket

Substitutions may only occur in between Games in a Match or before a Match. Teams must inform Tournament Administrators of any change in lineup between Games and receive approval before any Substitution(s) can be made.

4.2.6 Reporting Scores

After a Match is completed, the winning Team must submit the Match result to Tournament Administrators in a designated chatroom. The losing Team must also confirm the Match result. Taking a screenshot of the results screen or saving the replay file of the Match is required in case of disputed results. If a Team disputes a Match claiming a win and submits proof of its claim, the other Team must submit proof of its claim to avoid an automatic forfeit of the Match. Any Teams or Players found to have submitted false or doctored results will be subject to disciplinary action as further described in [Section 8.3](#).

4.2.7 Observers

For all Events, including Opens, Kick-Off Tournament, Last Chance Qualifiers, Majors, and the World Championship, in-game observers are not allowed except for Tournament Administrators or previously authorized individuals. Teams that are found to have shared lobby details for the purposes of allowing an unauthorized observer into the Match will be subject to disciplinary action as further described in [Section 8.3](#). Coaches, Managers and Reserves are not permitted to be in-game observers.

A Player or Team shall be permitted to stream live coverage of his/her/its Gameplay through an online streaming platform (e.g., Twitch, Kick, Tiktok, YouTube, etc.). Teams may also submit a special request for a single "Team Stream" observer to be authorized to join any not-broadcasted Open Double Elimination Bracket, Open Swiss Stage, Open GSL Stage, Last Chance Qualifier Double Elimination Bracket, Last Chance Swiss Stage, or Last Chance GSL Stage Matches by filling out a Broadcast Application and receiving observer authorization a minimum of 24 hours before the start of the applicable tournament day. Coaches, Managers and Reserves are not permitted to be a Team Stream authorized observer. Broadcast Applications can be found via the applicable Discord support channel as listed in [Section 6.1](#).

An authorized observer may not join a specific side as a player at any time during the Match, or its associated Team will be subject to disciplinary action as further described in [Section 8.3](#).

4.3 Match Obligations

4.3.1 Punctuality

4.3.1.1 Punctuality for Open Double Elimination Brackets, Open Swiss Stage, Open GSL Stage, and Open Hybrid Elimination Bracket

All Teams must have three (3) Players physically present or in the online Match lobby by the designated Match start time. Teams that do not have three (3) Players ready to play after five (5) minutes of the Match start time will be subject to disciplinary actions as further described in [Section 8.3](#). During all Matches, the Team Point-of-Contact must be responsive in the designated chat room at least ten (10) minutes prior to the designated Match start time. Match start times may be adjusted by Tournament Administrators, in their sole discretion, depending on any Tournament accelerations or delays.

4.3.1.2 Punctuality for Kick-Off Tournament, Majors, and Rocket League World Championship

During in-person Matches, all participating members of a Roster are required to be physically present by the designated Match call time. The Match call time will be communicated by Tournament Administrators. Rosters are not permitted to leave the competition area after the designated Match call time, unless they are given explicit permission from the Tournament Administrators. Rosters that are not physically present at the designated Match call time will be subject to disciplinary actions as further described in [Section 8.3](#).

4.3.2 Forfeits

Teams may not voluntarily forfeit a Match without prior authorization from Tournament Administrators. Notwithstanding the foregoing, even with such authorization, such Teams may be subject to disciplinary actions as further described in [Section 8.3](#).

4.3.3 Device Access during Kick-Off Tournament, Majors, and Rocket League World Championship 2026

During all Matches in the Kick-Off Tournament, Majors, and Rocket League World Championship 2026, Players and Coaches will not be permitted to have any electronic device (e.g., mobile phones, watches of any form, electric handwarmers, earbuds) on their person and will not be permitted to access the internet without approval from Tournament Administrators.

5. Issues

5.1 Match Admin During Private Matches

During all stages of the Event, Players are prohibited from using the in-game “Match Admin” functionality. Players must not pause the Game, change the Game time, or change the Game score. Any Players that use in-game “Match Admin” functionality during a Game in the Event will be subject to disciplinary action as further described in [Section 8.3](#).

5.2 Technical Issues

Due to the nature and scale of online competition, except as otherwise determined by Tournament Administrators in their sole discretion, Matches will not be restarted or made null due to Bugs, Intentional Disconnections, Server Crashes, or Unintentional Disconnections. Except as otherwise determined by Tournament Administrators in their sole discretion, any technical issues or bug encounters must be played through and will not be cause for a remake. If a Team calls for a rematch due to a technical issue or bug encounter, such Team must save the replay and submit it to the Tournament Administrators for review. During a broadcasted Match, Tournament Administrators may halt Gameplay to review and subsequently restart the Game if deemed necessary by Tournament Administrators in their sole discretion.

5.3 Match Disruptions

5.3.1 Disconnects

5.3.1.1 Disconnects during Open Double Elimination Bracket, Open Swiss Stage, and Open GSL Stage Matches

If a disconnect occurs, the shorthanded Team must continue to play out the single Game within the Match. The disconnected Player may rejoin during the Game that the disconnect occurred in or in between Games of a Match but may not join in the middle of subsequent Games in the Match. After a disconnect, if the Player cannot rejoin during the same Game, the Player will have five (5) minutes to rejoin before the next Game of the Match begins. If the disconnected Player is unable to join the Game prior to the next Game in the Match, the Player's Team must substitute another Player from their roster (subject to the Substitution rules set forth in [Section 4.2.5](#)) or forfeit the Match.

5.3.1.2 Disconnects during Open Hybrid Elimination Bracket

If a disconnect occurs, the shorthanded Team must immediately notify the Tournament Administrators in the designated chatroom. The Tournament Administrators may pause the Game once the disconnect notification has been received, at their sole discretion. For spectated or broadcasted Matches, if Tournament Administrators identify that a Player has disconnected without being notified, they may pause a Match to allow the Player to reconnect.

Once the Game has been paused, the disconnected Player will have eight (8) minutes to rejoin before the Game resumes. In the event of multiple pauses for disconnections, the total time will be counted towards the eight (8) minutes of reconnection time. If the Player cannot rejoin within that time, the shorthanded Team will forfeit the single Game within the Match.

If the Player does not rejoin during the same Game in which they disconnected, the Player will have three (3) additional minutes following the Game to rejoin before the next Game of the Match begins. The disconnected Player may only rejoin during the Game in which the

disconnect occurred in or in between Games of a Match but may not join in the middle of subsequent Games in the Match. If the disconnected Player is unable to join the Game prior to the next Game in the Match, the Player's Team must substitute another Player from their roster (subject to the Substitution rules set forth in [Section 4.2.5](#)) or forfeit the Match.

Once the disconnected Player rejoins the Game or the allotted rejoin time has expired, the Teams have thirty (30) seconds to confirm with Tournament Administrators that each Team is ready to unpause. Once each Team has confirmed its readiness, the Game will resume from a neutral kickoff or from continuation of play as determined by the Tournament Administrators.

If a Team cannot field a full Team of three (3) Players to continue play, it will forfeit the Game. If a Team cannot field a full Team of three (3) Players in the subsequent eight (8) minutes of Game forfeiture, they will forfeit the Match.

5.3.1.3 Disconnects during Kick-Off Tournament, Major Swiss Stage, Major Hybrid Elimination Bracket, World Championship GSL Play-In Stage, World Championship GSL Group Stage, and World Championship Hybrid Elimination Bracket

If a disconnect occurs, the shorthanded Team must immediately notify the Tournament Administrators in-Game. The Tournament Administrators may pause the Game once the disconnect notification has been received, at their sole discretion. If Tournament Administrators identify that a Player has disconnected without being notified, they may pause a Match to allow the Player to reconnect.

Once the Game has been paused, Tournament Administrators will work directly with the affected Player to resolve the indicated issue.

The disconnected Player may only rejoin during the Game in which the disconnect occurred in or in between Games of a Match but may not join in the middle of subsequent Games in the Match. If the disconnected Player is unable to join the Game prior to the next Game in the Match, the Player's Team must substitute another Player from their roster (subject to the Substitution rules set forth in [Section 4.2.5](#)) or forfeit the Match.

Once the disconnected Player has rejoined, Teams have thirty (30) seconds to confirm with Tournament Administrators that each Team is ready to unpause. Once each Team has confirmed its readiness, the Game will resume from a neutral kickoff or from continuation of play as determined by the Tournament Administrators.

5.3.2 Stoppage of Play

Tournament Administrators may pause a Game or Match at any time and for any reason. In the event of a stoppage of play, Players must remain at their devices and stay attentive to Tournament Administrators' instructions.

5.3.3 Timeouts

For any Match that occurs during the Open Hybrid Elimination Bracket, Kick-Off Tournament, Major, Rocket League World Championship 2026, or Qualification Spot Bracket, Teams may request one (1) timeout (each, a “Timeout”) between Games during such Match.

Each Timeout will last for two (2) minutes. A Team must notify a Tournament Administrator that it elects to use a Timeout before forty-five (45) seconds remain on the post-Game scoreboard. Tournament Administrators reserve the right to deny a Team a Timeout if such Team fails to make its election in accordance with the deadlines set forth in this Section 5.3.3. The two (2) minute Timeout will begin at forty-five (45) seconds remaining on the post-Game scoreboard. At the conclusion of the Timeout, Tournament Administrators will instruct each Team to join the subsequent Game.

For clarity, Timeouts cannot be used in any Matches that occur in the Open Double Elimination Bracket, Open Swiss Stage, Open GSL Stage, or during Gameplay. In addition, Timeouts cannot be used to extend or circumvent disqualification timers as set forth in [Section 5.3.1](#).

5.3.4 Restarts

Tournament Administrators may order a Game or Match restart due to exceptional circumstances, such as if a bug significantly affects a Player’s ability to play or the Game or Match is disrupted by a Force Majeure or other event.

5.3.5 Log Submission

If a Player or Team makes a complaint that results in a Game or Match restart, they shall provide Tournament Administrators with log files from the Game or Match. These log files will be subject to investigation, and if Tournament Administrators determine that the restart was falsely requested, such Player or Team will be subject to disciplinary actions as further described in [Section 8.3](#).

6. Communication

6.1 Support Channel

Tournament Administrators will be available to answer Player-specific questions and provide additional assistance throughout the Event via the applicable Region’s official Player support channel found below. Any answers or comments provided online do not change these Rules.

- [Asia-Pacific \(APAC\)](#)
- [Europe \(EU\)](#)
- [Middle East & North Africa \(MENA\)](#)
- [North America \(NA\)](#)

- [Oceania \(OCE\)](#)
- [South America \(SAM\)](#)
- [Sub-Saharan Africa \(SSA\)](#)

6.2 Match Communications

For each Match, Teams will communicate with their opponents and Tournament Administrators (as applicable) in a designated chatroom during all online stages of the Tournament. For live events, once a Match has officially begun, communication with anyone not designated as playing within the current Match is strictly prohibited and may result in immediate disqualification of the Player(s) or Team. For clarity, Coaches do not fall within this restriction and Player-to-Coach communication is not restricted during gameplay. Tournament Administrators will notify Players of the designated chatroom prior to the start of each stage of the Tournament.

7. Code of Conduct

7.1 Personal Conduct; No Toxic Behavior

7.1.1 All Players and Control Persons must conduct themselves in a way that is at all times consistent with (a) the Code of Conduct in this Section 7 (“**Code of Conduct**”) and (b) the general principles of personal integrity, honesty, and good sportsmanship.

In particular, Players and Control Persons shall not engage in harassing or disrespectful conduct, use of abusive or offensive language, Game sabotage, spamming, social engineering, scamming, or any unlawful activity (“**Toxic Behavior**”).

7.1.4 Players and Control Persons shall not (a) proclaim to be, or represent themselves as, a banned Player or a cheater/rule breaker, or (b) glorify or otherwise endorse the breaking or violation of these Rules.

7.1.5 Any violation of these Rules may expose a Player, a Control Person, or an entire Team to disciplinary action as further described in [Section 8.3](#), whether or not that violation was committed intentionally.

7.2 Competitive Integrity

7.2.1 Each Player is expected to play within the spirit of Rocket League and these Rules at all times during any Game or Match. Any form of unfair play is prohibited by these Rules, and may

result in disciplinary action. Examples of unfair play include the following:

- Collusion (as defined below), Match fixing or throwing, bribing a referee or Match official, or any other unfair or illegal action or agreement to intentionally influence (or attempt to influence) the outcome of any Match or Event.
- Hacking or otherwise modifying the intended behavior of the Rocket League game client, including but not limited to making changes to game files.

- Making any modification to Rocket League that has not been disclosed to and authorized by the Tournament Administrators.

- Disconnecting from the in-game lobby before being dismissed by Tournament Administrators.
- Otherwise violating these Rules.

7.3 Wagering

Players and Control Persons shall not (a) conduct or promote betting, wagering, or gambling on the Tournament or any portion thereof, or (b) benefit, either directly or indirectly, from betting, wagering, or gambling on the Tournament or any portion thereof.

7.4 Harassment

Players are prohibited from engaging in any form of harassing, abusive, or discriminatory conduct, including any of the foregoing based on race, color, ethnicity, national origin, religion, political opinion or any other opinion, gender, gender identity, sexual orientation, age, disability, or any other status or characteristic protected under applicable law.

7.5 Confidentiality

A Player or Control Person may not disclose to any third party any confidential information the Player obtains in connection with the Event, including by posting on social media channels.

7.6 Illegal Conduct

Players and Control Persons are required to comply with all applicable laws at all times. Any attempt to deliberately damage or undermine the legitimate operation of the Event may be in violation of criminal and civil laws and will result in disqualification from participation in the Event. If an attempt is made, Epic reserves the right to seek remedies and damages (including attorneys' fees) to the fullest extent of the law, including criminal prosecution.

7.7 Reporting

Any Player who witnesses or is subjected to conduct that the Code of Conduct should notify Psyonix or a Tournament Administrator. All complaints reported pursuant to this Section 7.7 will be promptly investigated and appropriate action will be taken. Retaliation against any Player who brings forward a complaint or cooperates in the investigation of a complaint is prohibited.

7.8 Dress Code

During the Event, all Players and Guardians must adhere to the dress code (the "**Dress Code**"). Without in any way limiting the foregoing, the Dress Code shall apply to all Players and Guardians during the Event's media day, walkouts, gameplay, and such other Event-related activities as may be designated by the Tournament Administrator.

7.8.1 Players and Guardians must present themselves in a manner that is appropriate for the audience of the Game and is consistent with the spirit and tone of the Event (as determined by the Tournament Administrator) (e.g., no shirtless Players, swimwear, lingerie, etc.).

7.8.2 Restrictions

Players and Guardians are prohibited from wearing visible logos, brand names, and/or insignias (collectively, “**Commercial Identification**”) of any of the entities, products, or services on the following (non-exhaustive) list:

- Drugs or drug paraphernalia.
- Tobacco or tobacco related products, including vaping products.
- Alcohol.
- Firearms.
- Pornography or any other adult-only materials.
- Cryptocurrencies, non-fungible tokens (NFTs), or any other blockchain-related product or service.

- Any business that encourages illegal activities or violates applicable law.
- Gambling products (including fantasy sports betting), lotteries or illegal wagering.

All sponsorships, endorsements, promotional activities, and Commercial Identifications worn by Players and Guardians during, and in connection with, the Event are subject to approval by Tournament Administrators.

If a Tournament Administrator decides (in its sole discretion) that a Player or Guardian has violated the Dress Code, such Tournament Administrator reserves the right to require such player or Guardian to immediately change his or her attire in compliance with the Dress Code. Failure of such Player or Guardian to comply may result in disciplinary action as further described in [Section 8.3](#).

8. Rules and Conduct Violations

8.1 Enforcement

Psyonix will have primary responsibility for enforcing these Rules for all Players at the Event and may, working with the Tournament Administrators, impose sanctions on Players for violations of these Rules, as further described in this Section 8.

8.2 Investigation and Compliance

8.2.1 You and any control person must fully cooperate with Tournament Administrators in the investigation of any violation or suspected violation of these Rules. If Tournament Administrators contact you to discuss the investigation, you must be truthful in the information that you provide to Tournament Administrators. Any player or control person found to have withheld, destroyed, or tampered with any related information, or otherwise found to have misled Tournament Administrators during an investigation, will be subject to disciplinary action as further described in [Section 8.3](#).

8.2.2 Psyonix has the right, in its sole discretion, to remove a player or control person from, or restrict such player or control person's participation in, any Event activity as part of any investigation conducted by Epic and/or an Event Administrator (as applicable) pursuant to this Section 8.2.

8.3.2 For clarity, the nature and extent of the disciplinary action taken by Tournament Administrators pursuant to this Section 8.3 will be in the sole and absolute discretion of Tournament Administrators. Tournament Administrators reserve the right to seek damages and other remedies from such Player or Control Person to the fullest extent permitted by applicable law.

The enforcement of any applicable disciplinary action by Psyonix shall not provide a Player or Control Person with grounds for claims against Psyonix under any theory of law, or otherwise be considered a liability on the part of Psyonix to such Player or Control Person.
